Dear Sir,

APPLICATION FOR APPOINTMENT AS EXTERNAL SOLICITORS

Please refer to the above captioned.

We write to introduce our Law Firm to your esteemed organization.

Our Law Office aptly named **Omega Reigns Chambers**, and has in line with our vision to provide qualitative contemporary legal services attuned to the needs of the 21st century environment was established in the year 2005 and comprises of a wider range of experienced legal minds and resources.

Our lawyers span from the most experienced of over twenty three (23) years to the recently admitted to the bar that starts their tutelage with us. While we seem to have embraced Corporate and Commercial Law fully, it needs to be said that the Institutionalized aspects of law known to the common man under family law and general practice are also embraced by our team.

We like to pride ourselves in keeping up with the nascent aspects of law but are cautious to do well in whatever we involve ourselves.

Presently, our specialized departments comprise primarily of the following:

Banking and other Financial Services.

We offer legal services across a wide spectrum of financial businesses from documentation to planning, facilitating and brokerage consultancies. We cover a wide variety of finance – related accounts and briefs within areas involving as Management buy – outs and Buy-ins; Takeovers, Mergers and Acquisition, Debt Recovery, Arbitration, Insurance and Secured Credits. Essentially, it is a core department that spans the corporate / commercial setting, providing a range of business advisory services on:

- Winding up and liquidation of companies
- Receivership and Assets Management
- Investment of funds
- Capital Market Operations
- Arbitration and Alternate Dispute Resolution
- Mergers and Acquisition
- Intellectual Property Rights
- International Trade covering – general legal advice / opinions on financial practices and operations in all its ramifications.
- Debt negotiations, Loan documentations, recoveries and security disposals.
- Drafting and vetting of Oil and Gas contract documents
- Draft documentations and preparation of agreements, providing full representation of clientele in contract negotiation and the drafting of joint venture agreements.
- General trade finance, shareholders agreements, domestic takeovers and buyouts.
- Incorporation of Companies and post incorporation jobs.
- Due diligence on Companies for our Clients.
- Litigation.

Real Estate Department

This is a very buoyant section of our law practice due to the fact that our clients are well aware of the benefits of investing in real estate as well as in the purchase of landed property as security for the future. This department covers a vast area of law with regard to the Nigerian economy and covers all matters incidental to Estates and properties.

As a multi – specialist legal firm, we cover estate financing as well as solicitors in relation to leases and sub leases, turnkey project finance (Develop Manage and Handover arrangements – DMH). Our experience in this area has grown locally but desire to start operation internationally within Africa, Europe and United States of America within the shortest possible time. Document procurements, structuring of payments, negotiations, Mortgage arrangement both locally and internationally, rent collection and settlement of obligations.

We include in all our services advice and full representation of clientele in contract negotiation and any other ancillary matters.

Our arbitration methods will always explore where appropriate, methods of cost reduction and minimizing the delays and the attendant divisiveness of litigation in general.

We cover a wide range of businesses both in the private and public sector servicing a range of organizations and financial institutions within the financial sector, the industries and government-related agencies.

Our MOTTO in Omega Reigns Chambers is “to proffer at all times, solutions to even the most difficult of situations, aiming at reliability to deliver and drawing from our resourcefulness to produce excellent and gainful result”.

Our unique selling point at every stage of our commitment drive is our Dependability, Determination and Resourcefulness – constant key words in our environment with

regard to areas of our practice and the legal needs of our clients. Because we aim to be better result oriented, our focus is on cultivating a warm relationship with our clients, to ensure a constant ability to communicate effectively.

This is further enhanced by unrestricted access to our key management heads through mobile telecommunications on a twenty - four hours basis especially in times of emergencies.

We have acted as legal facilitators, consultants and advisers to a mixed range of businesses bringing our experience to bear on the weighty issues of our clients. Law has reached a point when quasi-legal aspects of law now form a necessary part of a lawyer's portfolio in order to be one step ahead for the benefit of his client.

Discretion in all things is our watch word and this extends most especially to preserving the confidentiality of our more reclusive clientele both within and outside the country.

In the light of the above, we hope you will afford us the opportunity to be of services to your organization.

If you have any inquiries, interest or request for further and better information, the undersigned will be available at the listed office numbers to respond to any area of services required.

We look forward to a mutually beneficial working relationship with you because we trust you will be glad you did.

Thank you.

Yours faithfully,

For: **OMEGA REIGNS CHAMBERS**
